DeLoach's informational role as head of "Crime Records" HW8/27/79

Note that the stamp on this poor copy reads "Crime Research," when there is nothing on that subject in the record.

Pages 2 and 3 are pertinent to DeLoach's role.

On page 3 note that with reference to O'Leary De Loach did not say he phoned back but that he "reported back." Whatever that means, it reflects DeLoach's attitude.

The 217 added at the bottom may be Rae's, indicating the Section.
